
PROGRAM DESCRIPTION & OBJECTIVES

The goal of this Symposium is to update participants on the most current issues in areas which are experiencing rapid advance or controversial management in the field of Obstetrics and Gynecology. There will be visual presentations for each of the topics and opportunities for questions and answers. The lectures will be presented by authorities in their areas of expertise. The Symposium will give alumni the opportunity to get an overview of the activities and future of Sloane. The course will be of interest to Obstetricians and Gynecologists, Gynecologic Oncologists, sub-specialists, family practitioners, geneticists, midwives and nurses.

At the conclusion of this Symposium, all the participants should:

- * Have a thorough understanding of pre-implantation genetic diagnosis
- * Have gained updated knowledge on the possibilities and limitations of prenatal diagnosis by ultrasound in the first trimester
- * Understand the impact of maternal age on assisted reproduction
- * Be exposed to new insights on how surgical intervention can be reduced through transvaginal ultrasound
- * Have a good knowledge of various ways to deal with menopause
- * Be exposed to new insights on ovarian cancer
- * Have expert analysis on lessons learned from prenatal diagnosis
- * Be exposed to the latest possibilities in cord blood

LUNCH

Lunch is included in the Sloane Alumni Day Symposium tuition. If you are an alumnus or a Columbia University Medical Center faculty member, please contact Karin Bilich at 212-305-7621 to reserve a space. Lunch will be served at 12:15 at:

Abigail Holcombe

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the College of Physicians and Surgeons of Columbia University and Sloane Hospital for Women of New York-Presbyterian Hospital. The College of Physicians and Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The College of Physicians and Surgeons of Columbia University takes responsibility for the content, quality and scientific integrity of this CME event.

The College of Physicians and Surgeons designates this educational activity for a maximum of **6.5 category 1 credits towards** the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Before the program, all faculty will disclose the existence of any financial interest and/or other relationship(s) (e.g. employee, consultant, speaker's bureau, grant recipient, research support, stock ownership or any other special relationship) they might have with a) the manufacturer(s) of any commercial product(s) to be discussed during their presentation and/or b) any commercial contributor to this activity. When unlabeled uses are discussed, these will also be indicated.

PROGRAM

7:30 a.m.	Registration
8:00 a.m.	Introduction Mary E. D'Alton, M.D. & Clarel Antoine, M.D.
8:15 a.m.	Pre-Implantation Genetic Diagnosis Jamie A. Grifo, M.D.
9:00 a.m.	Prenatal Diagnosis Is Best Done in the First Trimester: The 18 Week Scan Is a Waste of Time Ilan Timor-Trisch, M.D.
